About your Underwriting Options

You may choose Moratorium or Full Medical Underwriting:

Moratorium underwriting (maximum age of entry is 70)

We exclude any conditions for which you have received medication, advice or treatment or you have experienced symptoms whether the condition has been diagnosed or not in the five years before the start of your cover (pre-existing conditions).

Related conditions (those which are medically considered to be associated with a pre-existing condition) will also not be covered.

However, if you have not had any such symptoms, treatment, medication or advice for pre-existing conditions or any related conditions for a continuous period of 2 (two) years after the start date of your Policy, the condition will become eligible for cover under this Policy. This period is known as the Moratorium.

Full Medical Underwriting (maximum age of entry is 70)

Benefits will not be payable for the treatment of any disease, illness or injury (whether or not diagnosed) for which the member has received medication, advice or treatment or where the member has experienced symptoms prior to the date of acceptance of this application, or any related condition, unless fully disclosed on this application and accepted by us. Failure to provide full information may lead to the cancellation of the Policy at a later date.

Please complete the following questionnaire for **ALL** members:

A: For any of the medical conditions or symptoms listed below, has any person:

Medical Consent

In order to administer your Policy, it may be necessary to request your medical notes, a medical report or any other additional information from your doctor. In order to do this, we need your consent and a signed declaration.

By signing the declaration you and your adult dependents will give us permission to obtain additional information. Under the Access to Medical Reports Act 1988 or the Access to Personal Files and Medical Reports (Northern Ireland) Order 1991, you have specific rights which are outlined below:

a) You have the right to see the completed report before it is sent to us. If you wish to see the report you have 21 days to arrange this with your doctor. However, please note that we can only authorise treatment once we have received all required information. b) You can request that your doctor amends any part of the report that you consider to be incorrect or misleading. If your doctor does not agree to amend certain parts, you may attach your comments. c) You may request to see a copy of your report up to six months after we have received it. Your doctor can arrange this for you and may charge a fee to cover the cost. d) Your doctor may decide that in the interest of your health, or the health of others, you should not see all or part of the report. If your doctor does not let you see any part of the report, he/she must notify you of the fact. e) You have the right to withhold your consent. However, in this case we may not be able to proceed with your claim.

Medical Declaration

I declare to the best of my knowledge and belief the information given on this form is true and correct.

I have been informed and I understand my statutory rights under the Access to Medical Reports Act 1988 or the Access to Personal Files and Medical Reports (Northern Ireland) Order 1991. In connection with the insurance submitted, I hereby consent to Freedom Health Insurance seeking medical information from any doctor who at any time, has attended me concerning anything which affects my physical and/or mental health, and that this information shall be passed to Freedom Health Insurance administrators. I agree that a copy of this consent shall have the validity of the original.

I do/do not* wish to see any report before it is sent to Freedom Health Insurance (*Delete as appropriate).
